

The Dalsouple® Removable collection is particularly adapted to trade shows, expositions, or other temporary events in sporting or industrial venues with high traffic.

The tiles are simply interlocked together without adhesive, and thus can be easily installed and disassembled.

2 ranges are available: **DalSport & DalKit**

DalSport

Their slightly textured, anti-slip surface, their flexibility and heavy duty design make them a perfect match for sporting environments.

6 assorted colors

tile dimensions

— 603 x 603 mm

thickness

— 7 mm

colors

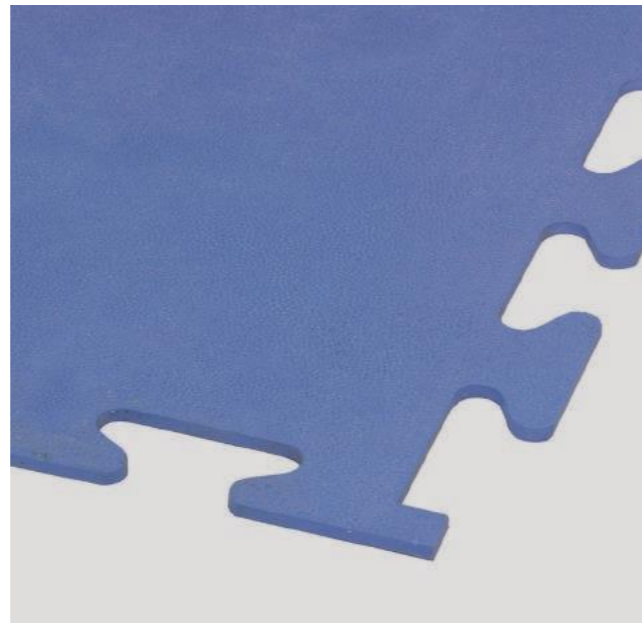

80 standard colors or your custom color (to be chosen, for example, among one of the international standards RAL, Panto, NCS, Chevallier, etc.)

For further information, consult our website
www.dalsouple.fr

DalKit

Dalkit tiles feature an anti-slip surface and their raised base facilitates drainage on humid ground. Ideal for stage floors, expositions, receptions, and showrooms.

6 assorted colors

tile dimensions

— 666 x 666 mm

thickness on blocks

— 10 mm
